Hanson Hills Set For 88-89 Ski Season

Hanson Hills will be open for the 1988-1989 ski season despite a second defeat for a millage renewal in the November election. The millage was a renewal request for a two-year period (1989 and 1990). The millage

is still in effect for 1988 and will fund the park for the 88-89 ski season.

The Grayling Recreation Authority has not yet met following the Nov. 8th vote so no decision concerning the next step for the

park has been made, said GRA board member Pauline Petrosky.

She said there are several options to consider. For now, however, the park will open soon for the ski season and continue

operations as usual.

The renewal proposal for 1/4 mill was turned down by county voters 2,529-2,175 in November and 998-855 in August. The 1/4 mill was first approved by voters in 1984.

Winter Sidewalk Routes Designated for Students

The City of Grayling Council, Administration, and the Grayling Elementary School Staff are concerned with the safety of students walking to school during the winter months. This problem arises because some areas do not have sidewalks, many sidewalks are not cleared, and as winter progresses the shoulders of the roads become increasingly narrow and there is not room to walk in safety.

Elementary School children should use the following established routes to school:

a. Children living Southeast of Michigan Avenue should walk along the west side of State Street and the west side of Maple Street to Michigan Avenue, then walk on the south east of Michigan Avenue to the school.

b. Children living Northwest of Michigan Avenue should use lightly traveled side roads and avoid walking Michigan Avenue due to heavy traffic. The suggested route is along Ogemaw Street to Plum or Erie Street to cross Michigan Avenue only at corner of Erie and Michigan where the crossing guard lends assistance.

Extra care will be taken by the city and residents to keep sidewalks and roadways along suggested routes in a safe condition.

We are asking families living along these routes to assist by helping keep sidewalks on the proposed routes cleared. Please contact the City Office if you have questions regarding this problem.

Annual 'Christmas Walk' Scheduled for Nov. 20th

The Annual Christmas walk will be held Sunday, Nov. 20. The Christmas Walk marks the opening of the Holiday shopping season and it is a time of introducing new gift ideas and merchandise.

The idea of a Christmas walk was first introduced to Grayling in 1978 by Ernie Dawson and Robert Cole at Flowers by Josie. It was an idea whose time had come and in a very few years had grown to the point where it needed to expand. In 1984 the Flower shop was joined by Jill Wyman at the Icehouse Quilt Shop and Judy Weaver at Weaver's Gifts and Candy.

The Christmas walk is mainly entertainment. It is an afternoon outing, relaxed yet exciting. It is time spent watching skilled craftpersons making quilts or country gifts, hand-painting fine china, tole painting an antique sleigh, making gingerbread houses, or displaying intricately designed crocheted tablecloths. The Christmas walk is home-made cookies and delicate chocolate candies. It is a special flower and lively hammered dulcimer music or the whimsical notes of a single flute.

In 1988 the Christmas walk will expand again. A special one man art show by T.L. Dickinson will be held in the lobby of the Chief Shoppenagon Hotel. The Hotel, in keeping with nostalgia, is serving afternoon tea with crumpets under the adornment of special decorations. Although the planning has been a year-long process by the three shops, the Icehouse Quilt Shop, Flowers by Josie, and Weaver's Gifts, a letter has been sent to all the Downtown merchants inviting them to join the festivities.

The Crawford County Historical Museum will be open November 20, from 10 - 4, sponsored by the Alumni Association.

Hanson Hills To Host Las Vegas Nite Nov. 18

Dice tables, Black Jack, Raffles, and the Money Wheel will be part of Las Vegas Nite, 8 p.m. to 2 a.m. Friday, Nov. 18, at the K of C Hall in Grayling. Tickets are \$5.00 in advance and \$6.00 at the door. Tickets are available at the Chamber of Commerce and Hanson Hills. There will be a cash bar and all proceeds go to Hanson Hills.

Deadlines Moved Ahead For Thanksgiving Holiday

The Avalanche will be published Tuesday, Nov. 22, instead of its usual Wednesday date so most area subscribers will receive their paper in the mail before the Thanksgiving holiday.

To meet the earlier printing date, the deadline for display advertising for that issue will be 5 p.m. Thursday, Nov. 17. The deadline for news copy will be 5 p.m. Friday, Nov. 18, and the deadline for classified ads will be Monday noon, Nov. 21.

The Avalanche office will be closed Thanksgiving and Friday, Nov. 25. Display advertising for the Nov. 30th issue must be in by 5 p.m. Wednesday, Nov. 23. News items must be turned in Monday noon, Nov. 28, and classified ads must be in by Tuesday noon, Nov. 29.

County Historical Museum Adds Trappers Cabin

A turn of the century trappers cabin, that has served as a home several times over the years, came to rest on the Crawford County Historical Museum site last Thursday, November 10th.

The cabin was donated to the Michigan Trappers Association by Jeremy and Lois Jones of South Branch Township. The association will be restoring the exterior of the cabin by re-chinking the logs, sealing the surfaces with a clear preservative to retain the color of the old wood, and re-roofing the building with cedar shingles. The cabin's interior will be retored to the original appearance of a fur trapper's cabin, using antiques of the era.

Robert Ruddy, curator of the Crawford County Histor-

ical Museum, estimates that the log cabin is over 100 years old. It is constructed roughly of tamarack, cedar and pine, whatever materials were available to the trapper at the time. The logs were not squared or finished, because the cabin was built to serve as temporary shelter from the weather. The cabin is small, typical of a trapper's cabin, to keep it easy to heat. Ruddy said that the cabin windows were added 60 to 75 years ago.

The cabin was moved from South Branch Township to Grayling by Ray Short and Son of Lupton. This was the second time the cabin was moved. The cabin was first moved 35 or 40 years ago from a Houghton Lake swamp, when the Catholic church needed expansion

room. Ruddy said that the move culminated a project that began almost two years ago, when he and Morey Denton, president of the Michigan Trappers Association, first began talking about the possibility of doing something to depict the County's early fur trapping history.

The Michigan Trappers Association hopes to have the project completed by Memorial Day, the beginning of the summer tourist season. During the Milltown Festival, Ruddy said that an area trapper and his family will move into the cabin to give live demonstrations of an early trapper's life.

Following restoration, the cabin will be maintained by the Crawford County Historical Society.

58% of County Voters Cast Ballots Nov. 8

Grayling High School Delivers

To the Editor,
Thank you Grayling High School!

On behalf of American Red Cross Blood Services Wolverine Region, a very special thank you should be extended to some very special students in Crawford County.

On November 2, 1988 the Grayling High School sponsored a Bloodmobile at the High School Gym. The results were outstanding; 100 people presented themselves to donate, of that number there were 100 productive donors and 43 first-time

donors. Through the wonders of modern medical technology, a single donation can be broken down into its three (3) main components, red blood cells, plasma and platelets. This means that three hundred (300) components were produced for our hospitals in Northern Michigan from this drive. These components represent the greatest gifts that one human being can share with another, The Gift of Life!

The American Red Cross would like to thank everyone that participated at the blood drive as a donor or volun-

teer. A special thanks to the Grayling High School Administration and Staff for allowing the American Red Cross to use their school facilities and have their students be participants.

And a special thank you to Mike Wieland and Lori Dean. Without your sponsorship this drive could not have taken place.

Thanks again from all of us in Northern Michigan. Tom Todd, Consultant Donor Resource Development and American Red Cross staff

Roadside Ditch Is Called 'The Gateway to China'

November 9, 1988

It has taken me some 40 plus years to finally get up the courage and the willing-

ness to test myself at sitting down and actually voicing my opinion and question our officials (that we pay with our tax dollars), but here goes!

Is anyone else aware or does anyone else care about the road hazard that was put in the area of road that travels from Grayling High School to the town of Frederic? Not more than five weeks ago a rather deep ditch was made along both sides of the road. This ditch is what I would call the gateway to China! Believe me if you have car trouble or accidentally slide on snowy or icy roads folks, you can rest assured you're on your free trip to the orient. All it's gonna cost you is your auto and maybe a few loved ones!

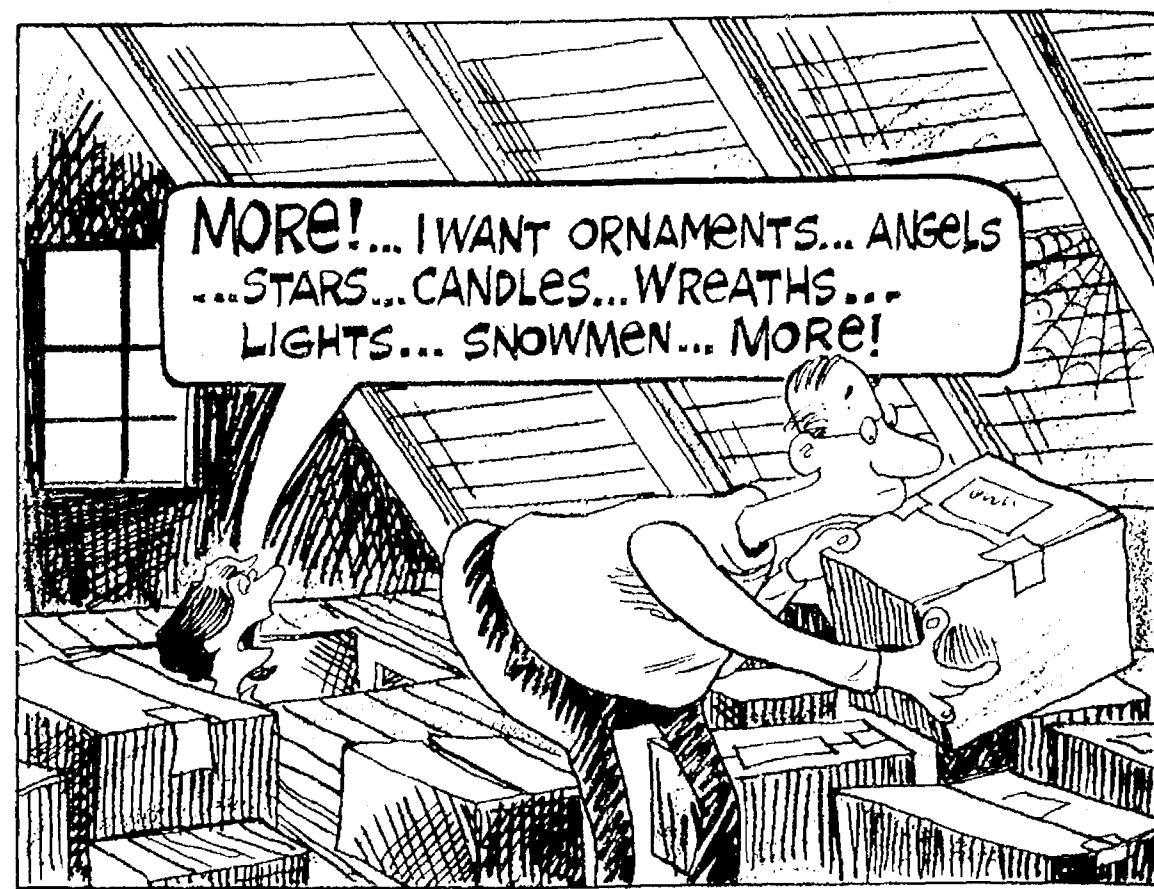

On the morning of November 9, on my way to work I was shocked and surprised to find a pickup truck (heavy duty mind you) almost completely turned over not a block from my home on Old 27, I asked if I could help and was told by a worried mother of one of the victims who was driving the truck that help was on its way. My first reaction was "I knew it was bound to happen", this is only the beginning of our hard winter and Thank God no one was hurt seriously. About 3 miles on route to work to and behold, another auto in the ditch, a local police 4 wheeler bronco

style! I was so shocked at another accident in less than 1 hour on the same road less than 3 miles apart due to this highway ditch to China that we have on Old 27 from the area mentioned above!

I, being the concerned citizen that I should be (not always am), went directly to the Crawford County Road Commission where I met Mr. John Keir and told him of my journey and concern and asked him "Why" the huge ditch to which he replied drainage! I told him what drainage, it's all sand! We don't have a drainage problem! Needless to say Mr. Keir was not at all pleased with my plight or my concern or my attitude!

I apologize to Mr. Keir for my concern and my attitude problem. When work was first being done on the road I phoned his office several times for which no return phone call was made on his part or his staff! Please give me an explanation or any feedback from anyone out there, please! I must admit however, if any of my loved ones or family incur auto problems because of this bottomless pit along the road from Grayling High School to Frederic, someone is gonna hear from me again! This deep situation, in my own taxpaying opinion, deserves the Golden Fleece Award of the Year!

Opinions

From Our Corner

By Whitey Madsen

This past election has really perturbed the ol' fella...

No, not the presidential, senate, congress, county sheriff, road commission, probate judge or any of the other county or township hopefuls...

At my age it really doesn't matter to me as long as they perform their duties of their office...

My concern is the vote on the two propositions in the county on the elderly and Hanson Hills...

Us old folks won out... our young folks lost out...

For the life of me, what is more important? My dying generation or the ones who will step into our life frame?

It saddened the ol' fella Wednesday morning when I heard Hanson Hills was shot down...

We have lived here 40 plus years, raised a daughter and a son, neither were active in skiing or other activities at the park, but we knew many of those who live here today who

were avid skiers and winter enthusiasts...

Hanson Hills is not in competition with all the big ski resorts in our area...it is a facility for mostly our young people in the area...it needs our help...

If the people here cannot afford about \$4.00 a year on their taxes to help our younger generation on the ski slopes, instead of doing drugs...maybe they are putting it in the wrong place...

All summer long it has been negative guard...last year it was negative trout keeping...I have to wonder who are these people who have moved into Crawford County and have made all the turmoil over what has existed here for years...

Now, we have to wonder who are the negative people against a young people's park... We voted against us old people...and voted for the young people...

It is too bad there weren't enough of us...those who voted No should be real proud...they saved a buck, and possibly took away a facility for our young...

Last Friday, November 11, a woman in a car rolled down her window and stopped me while I was crossing Michigan Avenue from the Post Office to Grayling State Bank.

"What's everyone in front of the bank for?" she wanted to know pointing to the crowd, the Michigan National Guard Color Guard with rifles, and other groups carrying flags.

"Veterans Day ceremony," I told her and her face turned red. "Whoops, I forgot what day it is," she said as she rolled up the window.

It may be that Veterans Day doesn't attract as much attention as the Fourth of July and some people don't think too much about ceremonies. But Veterans Day means a lot to many people and the ceremony makes sense.

At the ceremony last Friday at the Grayling State Bank (coordinated by Jack Alef), the American Legion Post 106, AM-

VETS Post 13, VFW Post 3736, and the Michigan National Guard from Camp Grayling were represented. Eighteen American flags for deceased servicemen were displayed. The honor roll read Richard Ashton, Don Cragg, Max R. Crosby, Olin T. Crosby, Jack E. Dailey, David Fairbotham, Arthur G. Fritz, Jr., Raymond Hartman, Charles D. Johnson, Harold L. Kincheloe, Christopher King, Charles Lawson, William T. Lawson, H. Lee MacDonald, Douglas E. Miljure, L.E. Myers, Jack W. Pearce, N.A. Szkotnicki.

A class from the elementary school is invited every year and this year one of the students told the crowd about one of the men being honored - his grandfather.

It's appropriate the children were there. Paying tribute to the men and women who gave for their country is an honorable ceremony. Furthermore, Veterans Day reminds us all of the horrible price of war.

City Workers Deserve Thanks

The City of Grayling recently observed a "Thank You Grayling" Day. I believe that an important "Thank You" was overlooked. We all tend to take the exceptional service that our "City" provides for granted: the snow removal, trash disposal, street, water, and sewer service just "seems to happen".

Of course, a little reflection will convince us that these services require a lot of work by all the people that work for us in city government. Let's all say thanks for a job well done to our city manager, Mr. Morford, the Mayor, City Council, and all the fine people that help to make the city of Grayling a mighty fine place to live and work!

Recent Election Sends Message

The recent election sends a terrible message to our young people. One that dishonesty gets rewards. Our youth will feel if high-

ly elected officials in our government can be dishonest, why can't I?

Report Documents Vulnerability of Michigan's Children

Growing numbers of Michigan's children are at serious economic, medical, emotional and educational risk and as a result may not be able to successfully compete in Michigan's economy as young adults, a statewide citizens organization warned in a recently released report.

A report by the Michigan League for Human Services compiled data from each of Michigan's 83 counties which shows that "increasing numbers of the state's families are experiencing severe economic distress, resulting in more children being raised in poverty and forced to rely on a human services system which often fails to meet their basic need for food, clothing, shelter, medical care and education.

League Executive Director Beverly McDonald said that the future productivity and prosperity of the state's children could be severely limited as a result of experiencing prolonged childhood stress.

"We view this report as a first step in a public education effort designed to encourage greater investment in the state's children by the public and private sectors, and specifically in prevention and basic support programs," McDonald said.

Indicators of economic hardship and family disintegration highlighted in the report include:

—Over 444,000 children, or one of every six in Michigan, lived in families receiving cash public assistance at 60 percent of the poverty line in 1987. Lake County had the highest rate at 30.4 percent.

—Of families with children headed by women, 122,000 of them lived below 125 percent of the poverty line. In all counties, at least one in three of such families were subsisting at this level. Of those with children under 6 years old, two of three were in this position.

Baraga County was first, as all of its 46 female-headed families were living 125 percent below the poverty line.

—Although six small rural counties reported no infant deaths, the state had an overall infant mortality rate of 11.4 deaths per 1,000 live births. In Lake County, the infant mortality rate was 26.3 percent.

—Over 16,000 children were victims of abuse and/or neglect and approximately one-quarter of those children were removed from their homes and placed in foster care or institutional care. Charlevoix County had

the highest out-of-home placement of children at 13.2 percent.

—Of students in grades 9 through 12, 5.8 percent dropped out. But 12 percent of all black students and 10.9 percent of all Hispanic students left school. Also, the teenage birthrate was 12 percent in 1985. Luce County had the highest rate at 25.6 percent.

The report urged the state to "pursue an aggressive support and prevention strategy" in order to reduce these numbers.

Programs such as prenatal care, preventative health care through age 18, Head Start, and four years of college were all cited in the report as good preventive programs.

WELFARE CASES AT LOWEST LEVEL IN THE 1980's

The number of welfare cases in Michigan has decreased in the past three months to the lowest overall level in the 1980's, the Department of Social Services reported.

In the third calendar quarter of 1988 (July, August and September), almost 8,000 public assistance cases found employment and left the welfare system, the department said.

Figures released by the department showed a monthly average of 951,000 families received some form of welfare in Michigan during fiscal year 1988, down from 978,000 last year.

"During fiscal year 1988, the state's average welfare caseload was the lowest it has been in this decade. Almost 26,000 public assistance cases obtained employment and left welfare in the last year," Social Services Director Patrick Babcock said.

He said he was especially encouraged by drops in the General Assistance and ADC-U caseloads by an average of 6,900 cases per month from the previous year. He said historically, those caseloads have been most susceptible to changes in economic conditions.

The Aid to Dependent Children (ADC) caseload decreased by 3,645 cases (1.7 percent) during the July-September quarter and now stands at 210,098, the lowest level since December 1979. ADC-U, for unemployed parents and their families, decreased 1,962 cases (7.5 percent) and is now at 24,354.

The General Assistance (GA) caseload dropped by 4,214 cases (4.1 percent) to 97,425 cases during the quarter. The food stamp caseload is now 4,106 households (1.1 percent) lower at 356,665.

Time for non-political potpourri

GETTING JUST a bit weary of politics every time you open your paper, turn on your television, or listen to your radio? Aren't we all.

So now that the 1988 campaign has been put to bed, and just a day or two before the next one starts, you're invited to join me in a non-political stroll, barefoot through the potpourri...

ART ROONEY was the boss of the Pittsburgh Steelers of the National Football League before he died a few weeks ago. When he came into professional football, players wore leather helmets, fields were usually dirt instead of grass (artificial turf had never even been dreamed of), and gates were closer to \$500 than the millions of today.

He was a legendary figure in sports after buying the Steelers' franchise in 1932 with \$2,500 he had won gambling. But through the years, often teetering on bankruptcy, he persevered, maintained a personal hand in running the franchise, and came out on top.

"The thrill," Mr. Rooney once said, "was not only winning or losing, but making the payroll."

He had a lot of friends and admirers, including his doctor. Dr. Theodore Gelet, the family physician, reported his death like this:

"At 7:45 this morning, 'The Chief,' Art Rooney Sr., passed away in his sleep with his family at his bedside.

"It appears that God, in his infinite wisdom, had a different game plan on offense than we mortals did on defense, as Mr. Rooney ran for his final touchdown."

Now that, gentle readers, is an eulogy. Dr. Gelet missed his calling; he should have been a sportswriter.

HERE'S GOOD NEWS for those of us who know that Elvis Presley is alive and well and living in Kalamazoo.

The all-Elvis radio station in Cincinnati is still going strong, and expects to stick to this unusual format for another year or two.

Not only that, Elvis himself calls WCFG every day, according to General Manager John Stolz, who says he's having "the most fun I've ever had" in his 20 years of broad-

casting.

"He (Elvis) says, 'Hey, baby, I'm going to take care of you.' And he always says he's going to send us a couple of Rolls Royces," Stolz says.

By using 400 of Elvis' 650 recordings, the station can go two days without repeating a song. So far, the pioneering Cincinnati Elvis station has spawned imitators in Portland, Ore., and Decatur, Ala.

Incidentally, if you have a tall antenna, or if you're driving through Cincinnati on your way to Florida or Texas or somewhere, the all-Elvis Cincinnati station is at 1320 AM.

EVER LIVED in a small town? Lots of us have. According to the North Dakota Extension Service newsletter, you know you're in a small town when:

Fourth Street is on the edge of town. You don't use your turn signals because everybody knows where you're going.

You dial a wrong number and wind up talking for 15 minutes.

You get run off Main Street by a combine. You write a check on the wrong bank by mistake, and the folks over there cover it for you anyway.

The pickup trucks downtown outnumber cars three to one.

You miss a Sunday at church and receive three get-well cards.

Somebody asks how you are, and then listens to what you say.

SOME CLOSING "Nuts and Jolts" from Hod Shewell:

—Talk about prices: A lobster dinner these days costs about 18 clams.

—Understand Montana is tired of not winning the Miss America contest, so next year they're entering a real Butte.

—Today's teen-ager is like grandfather's clock: Taller by half than the old man himself.

—How come the 24 hour flu usually lasts five days?

—A politician usually isn't a good deer hunter because he's too accustomed to passing the buck.

—Some letters to the editor are so full of mistakes that the editor has to correct them before he throws them into the waste basket.

A Look At Our Past

23 Years Ago

 Mr. and Mrs. Ronnie Holtcamp of Detroit have a baby girl, Robin Lynn, born November 8. She weighed six pounds one ounce at birth. Her grandparents are the George Skinners and the Charles Holtcamps. Great grandparents are Mr. and Mrs. Ben Potts, the E.H. Fyfes of Paramount, Calif., and Ray Murphy of Frederic.

Mike Roper was 16 on November 11th, but his parents, the Roy Ropers, had a birthday dinner for him on Wednesday the 10th as he was to accompany the chemistry class to MSU on Thursday. His aunt and uncle, Mr. and Mrs. Marshall Sisco of Higgins Lake, came to attend the dinner and extend their best wishes to Mike.

Miss Janet Wyman was home from her job in Lansing Thursday to visit her parents the Kenneth Wymans, through Sunday.

The Charles Fick family visited her great aunt and uncle, Mr. and Mrs. John Henrys at Vanderbilt, on Sunday.

Mr. and Mrs. Robert Bovee and Dena visited his brother, the Rev. Keith Bovee and family in St. Johns over the weekend, after taking their daughter Billie to Vassar where she spent the time visiting Debbie Fennell.

Mr. and Mrs. Roger C. Nelson and sons, Mike and Paul of Grand Rapids spent from Thursday thru Saturday visiting at the home of Mr. and Mrs. Earl

Nelson.

Mr. and Mrs. Earl Longworth spent the weekend in Saginaw enjoying a get-together with members of the family.

Mr. and Mrs. Bill Joseph visited their son Bill at Albion College Saturday, which was parents' day at the college.

 No matter what others may think, we believe there were more deer hunters in Grayling this season than ever before. Every hotel and rooming house and scores of private homes were filled to capacity. Streets were so crowded nights that both sides of downtown streets, diagonal parked cars in the center, were jammed with parked cars. And this condition spread out to all side streets. Merchants were taxed to the limits to wait upon the trade. Many stocks were wiped out. Eating places just couldn't give their usual prompt service. To make things worse efficient help was almost impossible to get. (Editor's note: This is 1942?)

Roy McEvers and son Ted of Bay City, both filled their deer licenses while hunting here over the weekend.

Robert Papendick got a six point buck Sunday morning at 10 o'clock. He was one of the first in the county to get his deer.

Mr. and Mrs. Charles David of Flint spent the weekend visiting Mr. and Mrs. Eggie Bugby and also went deer hunting. Mr. David got his eight point buck Sunday morning.

Staff Sergeant Frank May Jr. of Chicago, Ill., is home on a ten-day furlough visiting his mother, Mrs. Frank May Sr.

Hunters at the home of Mrs. Clarence Ingalls for the opening of deer season included Ora Ingalls and Leon Perry of Muskegon; Clarence Ingalls and William Caper of Flint, Mr. and Mrs. Clifford Ringman, Ray Lerch and Walter Lerch Jr., of Adrian. Two of

the party filled their licenses.

Mrs. Josie Parker of Lansing, is visiting Mr. and Mrs. E.L. Babbitt while their daughter, Mrs. Lefoy Watson, Vern Watson and Marion Parker are hunting here.

 Clyde Hum of Detroit arrived Tuesday to visit his brother, Harry Hum and family.

Mrs. Carl Peterson is enjoying a visit from her mother, Mrs. Bobenmoyer of Lansing.

Mr. and Mrs. A.J. Joseph invited a few friends to be their guests at Shoppenagons Inn Sunday noon.

Miss Jerine Lanky of Bay City arrived Tuesday to spend a few days with Miss Kathryn Clark.

Mr. and Mrs. Irvin Hodge are the proud parents of a baby son, born Tuesday, Nov. 17.

Mr. and Mrs. George Alexander entertained a few guests at dinner at the "Inn" Saturday evening.

Miss Edna Brown is home from Saginaw to spend the winter with her parents, Mr. and Mrs. Peter Brown.

Mr. and Mrs. William Powell closed their cottage at Lake Margrethe and left Saturday to join their theatrical company for the winter season.

The marriage of Miss Hulda Sivrais, daughter of Mr. and Mrs. Simon Sivrais, to Mr. Harold Millard took place Monday evening at St. Mary's parsonage.

PUPPIES FOR PETS — The Crawford County Animal Shelter has collie/shepherd and mixed husky puppies as well as many small and medium sized dogs that are housebroken that would make great companion pets. The shelter is open Monday through Friday, from 1-3 p.m. and on weekends from 11:00 a.m. to 12:30 p.m. The shelter is closed on Thursday.

PTA Learns About B.A.B.E.S. Programs

"Just say No!" Is it that easy? was the title of the November 7th meeting of the Crawford-Ausable PTA. Cynthia Sparks from the B.A.B.E.S. at the elementary schools gave an informative speech on her program. Starting in the 2nd grade here, the initial emphasis is on building positive self-images, learning coping skills, decision making skills and problem solving skills.

Sparks uses hand puppets throughout her instructional program and the children look forward to her visits. The puppets act out situations that help the children to understand themselves and the world around them. Included in this is not only drug and alcohol awareness, but topics such as peer pressure or good and bad touching.

The 5th graders at the Grayling Middle School will be receiving instruction from Undersheriff Tom Coors in a program called D.A.R.E. This 17-week course will begin in January of 1989.

This program - Drug Abuse Resistance Education is sponsored in part by the Michigan Sheriff's Association and is taught by a trained and Uniformed police officer. Coors said that his course would offer the same type of educational information as the B.A.B.E.S. program. He is hoping to return to another P.T.A. meeting after his program has begun to give an update.

Also speaking at the November meeting were the 2 candidates for Crawford County Probate Judge, Grace Dopp Wegner and John Hunter.

The next meeting will be December 5th at the Grayling Middle School Cafeteria.

Miss Grayling Scholarship Increased; Pageant Date Set

At the November 9th meeting of the Miss Grayling Scholarship Pageant board it was decided to increase the queen's scholarship award to \$800 this year. This is an increase of \$300 over previous years.

In other decisions reached by the board, the date has been set for January 21, 1989. Executive director of the pageant this year is Christine Holtz of the Chamber of Commerce. Assistant director will be Sherry Hanson, and Shannon McNamara is talent coordinator.

Some of the pre-pageant activities will sound familiar, while others are new. As always there will be an orientation for the contestants. Next on the agenda is a "get

acquainted tea" where the girls meet each other and their pageant moms and other members of the pageant board. There will be an ice skating party held at the new Crawford County Fairgrounds ice rink. A swim party will be held at the Hospitality House, and Maggie Priestap will do color draping to help each girl learn what colors look best on her. In addition, there will be a beauty nite, lessons in poise and posture, and that very special "friendship tea." All these events are designed to help the girls not only prepare for the pageant, but to help them in their future lives.

The day of the pageant is always filled with activity and excitement. In the early afternoon the judges personal interview are held at the Chief Shoppenagon Hotel. Fol-

lowing that all contestants get together at a private residence to relax, do some last minute practicing, or whatever will help them get ready for the big night. Girls are encouraged to bring whatever they need with them so that no trips back home are necessary. From there, the girls go directly to the auditorium and get ready for their big moment on-stage.

For those girls who are thinking about entering the pageant, but are away at college and concerned about being able to participate in all the activities - as you can see there are a few that are extremely important and others that could be eliminated if time and distance prevent your attendance. The orientation is held during Christmas vacation and should not present a prob-

lem. No date has been set for the friendship tea, so it may or may not be held before most colleges resume classes. Dance routines and photo sessions can be scheduled around your available time. The most difficult time will be the final week of rehearsal, but this too can be worked out. The pageant committee encourages former pageant contestants, and those who have never been in the pageant, but feel they would like to be now that they are older, to fill out an application and talk with the director. As the old song goes - "we can work it out."

Applications are available at the Grayling High School, the Chamber of Commerce building, and the Chief Shoppenagon Hotel.

Commission on Aging

We would like to express our gratitude to the voters in Crawford County for your support on the passage of the COA millage. Thanks to you, the programs and services will continue and we take great pleasure in being able to serve you.

Beginning on November 7th, by popular request, we are going to discontinue the Thursday night salad bar and offer more salads during the week. We will serve the full salad bar on Tuesday night only. We hope this will be an improvement and hope

you feel free to join us for dinner more often.

There will be a Cholesterol Clinic on November 28, 29 and 30 at the COA. Walk-in basis and the cost is \$5.00. There are no eating or drinking restrictions so no matter what time you come in it will be fine. The hours are 9:30 a.m. until 3:30 p.m.

Tuesday, November 22 - Our annual Thanksgiving dinner at 5 o'clock at the K of C Hall on Norway Street. Please make your reservations at the COA office as soon as possible (348-7123 or 348-8031). Suggested dona-

tion of \$1.50 for seniors and \$2.50 for juniors. The menu will be traditional Thanksgiving fare with Turkey, mashed potatoes and gravy, stuffing, corn, green beans, squash, cranberry sauce, tossed salad and pumpkin pie. There will be a Dial-A-Ride pick-up at the center at 4:30 and at the K of C at 6:30 coming back to the center. The dance with Tina follows the dinner.

Monday, November 21, 10:00-Exercise Class; 3:00-Songbirds; 5:00-Dinner, (Cook's choice).

Tuesday, November 22 - 1:00-Bowling; 1:00-RSVP Cards; 4:00-Health Wares, Blood Pressures and Blood Sugars taken; 4:30-Salad Bar; 5:00-Dinner (Thanksgiving Dinner - Dance at the K of C Hall, by reservations).

Wednesday, November 23 - 1:00-Stag Party; 1:00-Swim-merci; 5:00-Dinner (Pancakes and sausage).

Thursday, November 24 - Thanksgiving Day, Center Closed. Have a lovely day!

Friday, November 25 - Center Closed.

GPA Promoting
Holiday Events

The Grayling Promotional Association is in the midst of their holiday promotions. Grayling will again be sparkling with little white lights. Everyone is urged to get their lights up for November 18. The annual Christmas Walk, sponsored by several downtown merchants, will take place on Sunday, November 20.

Happy Hour is scheduled for November 22 and Santa Claus will arrive at the Courthouse at 6 p.m. on Friday evening, November 25. There will be music and treats for the small children. Bring your children and grandchildren down to talk to Santa.

The association is sponsoring the home and business decorating contest. Fill in the application blank found in the Avalanche and enter this contest. There have been some outstanding deco-

rations in the past. Phyllis Brummer is to be the guest speaker for this week's meeting.

Canfield Rolls 730, 2nd Highest Series

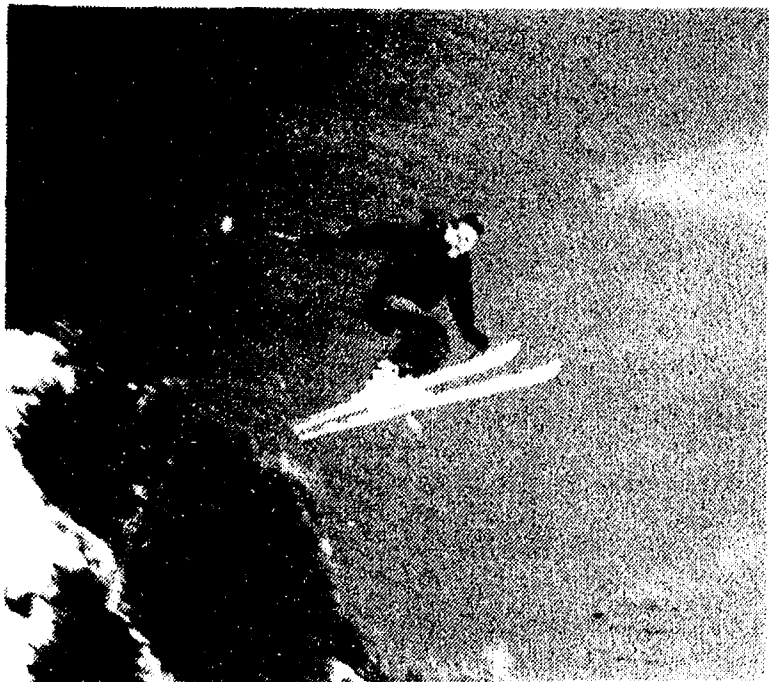

Dan Canfield, of Grayling, bowled the second highest series ever at American Legion Lanes with a 730 on Election night, Nov. 8th.

After opening with a 243 game and 233 game, Canfield said he started thinking a 224 would give him a 700 series. Instead of tightening up under the pressure, Canfield came through with his best game of the night - a 254.

In the last game he started out with 4 strikes and finished with 4. For the night he knocked down 24 strikes in 36 attempts.

Canfield carries a 180-plus league average and his bowling has helped his team Helsel Firewood into first place.

His 730 series just missed the record series at Legion Lanes by two pins. The holder of the record 732 series? Dan Canfield set it on Dec. 26, 1972.

Jayson Welser

Welser Ranks 3rd In NASTAR Skiing

Grayling resident Jayson Welser has placed third among Michigan's 16-18 year-old ski racers. His NASTAR (National Standard Race) ranking is based on Welser's single best racing performance from the 1987-88 season.

Skiing at Sylvan Resort, MI, Welser posted a personal season-best 5 handicap, earning a certificate of accomplishment, a patch, and a listing on selected rankings

posters distributed statewide. First place winners also receive I-SKI sunglasses and lip "Zingers" from Bonne Bell.

Since the U.S. Ski Team sets NASTAR's standards, Welser's 5 handicap means that at Sylvan Resort, he raced within 5 percent of the theoretical time posted by Troy Watts of Breckenridge, Colo., the U.S. Ski Team's fastest NASTAR racer.

"Earning this ranking is a

real accomplishment for a young skier," says NASTAR Commissioner Bob Beattie. Current U.S. Ski Team head coach John McMurtry agrees:

"The future of American ski racing is in the talent and enthusiasm of our youth. I'm proud of kids like Jayson, who give racing their best shot."

The Coca-Cola Jr. NASTAR program ranks the top 10 boys and girls from six

age categories in all 50 states. Last season, more than 100,000 youths raced in the program at 160 areas nationwide.

In addition to national and state rankings honors, young skiers can win Gold, Silver, and Bronze NASTAR medals each time they race. Coca-Cola Jr. NASTAR is America's largest youth recreational ski racing program and is open to kids of all abilities.

Local Triathlon to Benefit Special Olympics

Rainbow Fitness and Rehabilitation in Grayling will be holding its second semi-annual indoor triathlon December 12-17 with proceeds benefiting Special Olympics. Men and women of all ages are urged to try

their endurance on the stationary bike (10 kilometers), the rowing ergometer (2500 meters), and the treadmill (3 miles). Awards will be given in various age classes. Anyone wishing more information should call 348-5220.

R & H Sports, a team from Grayling, took 1st at the Vandy 3-on-3 Basketball Tournament in Vanderbilt Saturday, November 5.

The team of Butch Hayes, Gerry St. Germain, and Jon

Thompson went 4-0 to win the 30-and-over division. In round-robin play the R & H Sports team beat a Gaylord team 15-10, won by a forfeit, and beat another team from Gaylord 15-8.

R & H Sports Wins 3-on-3

Grayling maintained a healthy lead throughout the game.

Melanie Ojala led the scoring with 16 points, 5 assists and 7 steals. Other points were made by: Heather Stephenson 10 (5 steals), Lori Gust 9 (13 rebounds), Deanna Phelps 6 (11 rebounds), Nikki Trenary 2, and Aimee Rochette with 1 point.

Grayling shot 11 for 18 from the free throw line. "Cheboygan was highly disorganized," said Lehti. "We applied a little pressure defense on them and were able to keep them out of their game plan the entire evening."

During Grayling's first encounter with Cheboygan on October 11th, Grayling had led Cheboygan for 3½ quarters and then experienced a fourth quarter let-down and wound up losing by one point. As a result Lehti said that the girls were fired

up, and determined to win the Cheboygan game.

On Tuesday the team traveled to Petoskey and came home smiling. Grayling led throughout the evening, finally defeating Petoskey, 53-32.

Heather Stephenson led the scoring with 14 points and 4 steals. Other points were scored by: Patti Tremblay 10, (8 rebounds), Melanie Ojala 10 (6 assists and 4 steals), Lori Gust 10 (8 assists, 12 rebounds and 4 steals), Deanna Phelps 4 (11 rebounds), Anne Petrosky and Aimee Rochette 2 points each and Nikki Trenary with 1 point.

"Manager / Statistician, Margo Rembowski, has done an outstanding job this season," stated Lehti, "both in caring for the needs of the players, and providing the excellent statistics necessary for accurate record keeping."

Grayling is now preparing for the tournament games

which begin on Thursday, November 17, in Gladwin with Gladwin playing Standish-Sterling.

Class "B" schools in this district include Oscoda, Gladwin, Standish-Sterling, Ogemaw Heights (West Branch) and Grayling. All the games will be played in Gladwin.

In the drawing for play, Grayling drew a bye for the third consecutive year, and automatically advanced to the second round. Grayling will play Oscoda on Saturday, November 19, at 7:00 p.m. The winner of this game will advance to the District Championship game on November 22 at 7:30 p.m.

"This district will pit four Northeast Michigan Conference teams against Grayling," stated Lehti. "Grayling is the sole representative of the Huron Shores Conference," he said. "We certainly hope that we can adequately represent our conference."

Lehti said that key items in the tournament games will involve controlling the amount of turnovers and rebounds.

"If we keep the number of turnovers down and rebound like we have done consistently for the past three ball games," Lehti said, "we are going to win a couple ball games."

Grayling completed their regulation season in third place with a 10-4 win/loss record, behind Sault Ste. Marie, 12-2, and Gaylord, 11-3. Cheboygan ended their season in fourth place with 9 wins and 5 losses.

The JV girls basketball team finished their season last Thursday with an 8 and 12 record. They lost both games last week, first a heartstopper with Petoskey, 42-41, on Tuesday, November 8, at Petoskey; and again to Cheboygan, 74-41,

on Thursday, November 10. High scorers in the Cheboygan game were Michelle Burcham and Shannon Hinds with 8 points each. Other points were made by: Claudine Allen 6, Nicki Morrill and Krista Wyman with 5 point each, Cindy Fedewa 4, Andrea Austin 3, and Lisa Jo Barber with 2 points.

Burcham and Hinds turned in their usual consistent performances, and Wyman also had an outstanding defensive game.

On Tuesday, with a minute and 30 seconds to play, Grayling was leading Petoskey by 7 points. Thirty-seven seconds later Grayling was trailing Petoskey by one point. During the last 53 seconds of the game, Grayling missed three lay-ups, and lost, 42-41.

The top scorers for the year were: Nicki Morrill with 183 points, Claudine Allen 181, Michelle Burcham 153 and Shannon Hinds 135.

Bumper Crop of Deer Expected

Michigan's firearm deer season — which begins Nov. 15 — is expected to contribute to a harvest of 400,000 deer, topping last year's record by nearly 65,000, reports AAA Michigan.

This year's bumper supply of 1.5 million animals is the result of high herd survival rates due to milder than usual weather in the Lower Peninsula last season, coupled with an average Upper Peninsula winter.

Opening 62 "bonus" hunting sites — 47 more than last year — the Department of Natural Resources (DNR) intends to reduce Michigan's surplus deer population by selecting "bonus" hunting areas where crop damage from deer feeding is preva-

lent and near highways where deer often collide with vehicles.

The "bonus" areas allow hunters to apply for an antlerless — only license and a hunter's choice license to use with their first deer hunting stamp. There were 15 bonus zones last year and only two in 1986.

Another fringe benefit for the approximately 740,000 orange-clad stalkers are simplified regulations. For example, seasons for different types of hunting apply statewide and all counties have a uniform Nov. 15-30 firearm hunting season. (Details are included in the 1988-89 Michigan Hunting and Trapping Guide available at any licensed hunting

or fishing dealer or hunters can call 517-373-WILD.)

Deer hunters will find a shifting population pattern this year, with more animals in the Upper and southern Lower peninsulas but fewer in between. Densities range from less than five deer per square mile in Keweenaw, Monroe, Wayne and Macomb counties, to more than 60 deer per square mile in Alpena and Menominee counties.

Last year, the rifle harvest of 257,270 placed Michigan third nationally while a growing interest in muzzle-loading arms reaped 8,360 deer. In addition, 72,230 deer were taken during the bow-hunting season, making Michigan number one in the

nation for archery.

The resident firearm deer fee is \$12.85 and nonresident fee is \$100.35, unchanged from last season.

Eight hunters died and 34 were wounded last year during the three deer seasons.

Hunters should know where members of their party are at all times, especially when armed. Hunters should always look beyond their target and should wear more bright orange clothing than the law requires. In addition, deer seekers should always keep the firearm's muzzle away from others and keep the safety on until ready to shoot.

SPORTS FANS!

I Bet You Didn't Know

Brought To You By Tim Hart Sales Representative

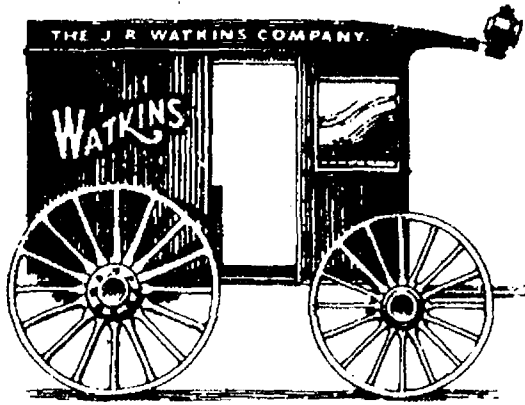

One of the greatest achievements in sports was when one athlete won gold medals in BOTH a Summer AND a Winter Olympics - an amazing feat because the sports are so different in the Summer and Winter Olympics...The only athlete ever to do that was Eddie Eagan who won a gold medal at the Summer Olympics in 1920 in boxing, and won a gold medal at the Winter Olympics in 1932 in bobsledding.

Seven times in major-league football, the Associated Press and United Press International have picked 2 different teams as national champions...It happened in 1978 (Alabama, AP; Southern Cal, UPI)...1974 (Oklahoma, AP; Southern Cal, UPI)...1973 (Notre Dame, AP; Alabama, UPI)...1970 (Nebraska, AP; Texas, UPI)...1965 (Alabama, AP; Michigan State, UPI)...1957 (Auburn, AP; Ohio State, UPI)...and 1954 (Ohio State, AP; UCLA, UPI).

Here's an unbelievable fact...Although the New York Giants won the championship of the National Football League in the 1986 season, they didn't score a touchdown in the first quarter of any game that year until the 15th week of the season!...Unbelievable, but true.

I bet you didn't know... See Tim Hart at Scheer Motors for a championship deal on a new car or truck!!!

The Crawford County Avalanche presents its first annual FOOTBALL Contest

1st Prize \$50

1. A. Find the advertiser with game #1
B. Write down your prediction for game #1 on entry form.
C. Write down the advertiser's name on entry form where you found game #1.
2. Fill out rest of entry form this way including the two tie-breakers (your prediction on the total points scored by both teams in games #1 and #18).
3. Make sure you pick a winner for each game and you write down the advertiser's name for each game.
4. Return the entry by 5 p.m. Friday to the Avalanche.
5. The person with the most correct picks wins \$50 from the Avalanche. (Tie games are considered correct picks for everyone.)

Nov. 12-13 Winner

1st Place \$50

Chad Bonamie

What a rough week for our Avalanche football contest pickers. Eighty eight out of the 104 entries had 8 or more picks wrong. Chad Bonamie took 1st with 5 wrong. Taking second were Pam Moggo, Charles Denton, Tracy Fagan, and Leonard Blackmer with 6 wrong. Coming in 3rd were Chris Golnick, Paula Derenzy, Shirley Daup, Joan Neal, Wayne Davis, John Smock, Dave Jansen, Mary Ann Blair, Patrick Cerelli, Mark Rutter, and Albert Shomo with 7 wrong.

With the college season winding down, the games published in the Nov. 23rd issue of the Avalanche will be the last week of the contest for this year. Next year the contest will offer a grand prize for the person with the best overall record for the entire length of the contest season.

FOOTBALL CONTEST OFFICIAL RULES

1. Contestants must pick a winner for each game, and must also predict the total number of points scored in the game designated as the tie-breaker.
2. Contestants must list the advertiser in which each game is found. Entry blanks without advertisers listed will be invalid.
3. One entry per person per week will be accepted. Crawford County Avalanche, Inc. employees are not eligible.
4. Completed entry blanks must be signed and must be returned to Crawford County Avalanche, Inc., P.O. Box 490, Grayling, MI, 49738 no later than 5 p.m. on the Friday before each week's contest. Mailed entries must be postmarked no later than 5 p.m. Friday. No late entries will be accepted. Unsigned entries will be invalid.
5. The person with the most correct predictions will be the winner. In case of a tie, the person with the closest prediction to total points scored in the 1st designated tie-breaker game will be the winner. If necessary, the 2nd tie-breaker will be used.
6. Entries must be on an official entry blank as printed in the Avalanche or on a reasonable facsimile.
7. Winner for the previous week's Football Contest will be published with the new Football Contest each week.
8. Winners may claim their prizes at the Crawford County Avalanche office in Grayling between 9 a.m. and 5 p.m. weekdays. Prizes will be available for each week's winners after 9 a.m. Thursday. A driver's license or some other form of identification and a social security number must be presented when claiming a prize.

Alumni News

Pictured here are the Varsity Basketball teams of G.H.S. It is a good time to remember these Alumni. Our basketball season is on its way. We now have girl's basketball teams that were discontinued for so many years. We do not have any information about Grace Hood, our cute little Gym teacher. Anyone out there who can tell us about her? LaVere Cushman lived his retirement years in Florida where he died. His wife, Thana is still there.

Anyone who knows Florence Smith Sparks, Class of 1911? She is possibly the oldest GHS Alumna, the sole member of her class. Last address was in W. Bloomfield, MI. Help us with this please.

We make a correction in identification of one of the 5th graders in Miss Douglas' room that we published in October. Audrey Hewitt was

the little girl between Allen Carr and Walter SanCarter...not Monica Hewitt. Did you find the 17 who graduated in 1938?

The last board meeting of 1988 was held on Tuesday, Nov. 8. All present officers were voted in for another year. Sandra and Bill Martin, Class of 1957 were voted in as Directors. With regret, we accepted the resignation of Anna and George Granger. We have had a very productive year and we thank all of you who are members in the GHS Alumni Association.

GHS Advanced Studies Tackle Knowledge Bowl

In the style of the old College Bowl, members of Grayling High School's Advanced Studies Program are competing against high school students from 15 other northern Michigan schools in a 1988 version called Knowledge Bowl.

Sponsored by Federal Credit Unions, each Knowledge Bowl program pits four students from one high school against four from another. Advanced Studies students Linda Denton, John Kraus, Josh Lepsy and Jordan Stancil made up Grayling's first team. GHS will compete three more times during the 1988-89 academic year.

The first team was filmed as they competed against a Standish-Sterling High School team on October 19 in the studio of Alpena's WKBS television station. Their show will be aired on November 12 on channel 11, a CBS affiliate.

Knowledge Bowl will also

feature a 90 second spot on the community of Grayling and Grayling High School's academic and extracurricular programs, with background music provided by the Viking Band. The format will follow the style of programs about universities often shown during half-times of televised college football games. Senior Linda Denton, who plans to study journalism at Central Michigan University, is preparing the script.

Advanced Studies instructor Tom Mills says that different students will compete each time. He prepares his class for the general knowledge questions by drilling them from games such as Trivial Pursuit and People, and he hopes to get more questions from other GHS teachers.

Each Knowledge Bowl consists of four periods, explains Mills. The first and fourth contain only toss-up questions, the second period has toss-up and bonus questions, and the third period is a speed round which allows the teams to answer up to 10 questions in 60 seconds.

Senior John Krause explains that Mills "wanted to give us some exposure to other schools — how we compare academically." GHS lost to Standish-Sterling, which freshman Josh Lepsy found "kind of depressing, because one kid from the other team answered almost all the questions." Linda Denton added, "He was the only one who had played before."

Then does experience count? "I think so," continued Linda, "because we

knew some answers, but we were afraid to hit the button."

The loss by the first squad does not seem to intimidate the rest of the class, waiting their turn to have a go at Knowledge Bowl. Freshman Niki Barnes' comment seems to sum up their prevailing attitude: "I want to go."

Eye Care News

Richard P. Ferrigan
Certified Ophthalmic Dispenser

Q. I'm getting ready for the hunting season. What type of glasses is easiest on my eyes?
A. Because your eyes and gunsight work together, base your choice on the condition of your vision. Start by having your vision thoroughly examined. Tell your optometrist about your hunting. Extra tests may be needed to check all of the vision skills you use in the field. If you have trouble focusing up close, get a telescopic sight. It's recommended for hunters over age 40. Your vision has to be in top condition to use the iron open sight. The peep sight is less visually demanding. When buying peep or telescopic sights, be sure there is enough eye relief to avoid striking the eye on recoil. For high powered rifles, the eye relief should be at least three inches.

Nov. 17 Travelogue Features The Land of Midnight Sun

On Thursday evening, November 17, the Grayling Community Education Program will present their next travel and adventure film in the Grayling High School auditorium. Doors will open at 6:45. The travelogue, featuring the country of Norway, will begin at 7:30. Tickets will be available at the door.

While on this film journey to the land of the Midnight Sun, you'll stroll through downtown Oslo and visit Frogner Park and Akershus Castle. You'll see the king of Norway reviewing the Constitution Day Parade. Then on to Hadelands Glassverk where you'll see the craft of glass blowing. At Lillehammer you'll visit the Maihaugen Open Air Museum, enjoy windsurfing, a Sunday afternoon horse show and begin your drive over the "Peer Gynt Road" just as the Norwegian spring arrives in the high country.

You'll visit a Norwegian home at Stavanger, and enjoy a shrimp dinner there. You'll then travel north to Hardanger Fjord in time to see the apple blossoms. In Bergen you'll visit the outdoor market, lunch at the famous Nord Hotel and tour the home of the famous Norwegian composer Edward Grieg.

At Sogne Fjord you'll visit the oldest wooden stave church in Norway and you'll watch a wood carver in the village of Otta. You'll also take time to visit Trondheim cathedral.

Last but not least, you'll cross the Arctic Circle to the Lofoten Islands where you'll see cod being packed for export. Then on to the north and Lapland where the traditional crafts of silver-smithing and knife-making are still practiced. Your visit will end up at Hammerfest, the most northern city in Europe.

The money saving season tickets are still available and may be purchased at the door.

Area Christian Scientists Holding Holiday Service

Everyone interested is invited to join area Christian Scientists when they meet with friends and neighbors for Thanksgiving services on Nov. 24th. It's a tradition among Christian Science congregations to hold these special services each year for the community. This year the one-hour service at the Houghton Lake Christian Science Society in Zone 11, at 106 James St. will begin at 11:00 a.m.

A large portion of the Thanksgiving service will be devoted to spontaneous sharing from the congregation. These services have always been a time when Christian Scientists may tell of their gratitude to God for present-day spiritual healing in their own experience.

The church service will include hymns, prayer, and readings from the Bible and from the denominational textbook, Science and Health with Key to the Scriptures, by church founder Mary Baker Eddy.

Daniels Den Hosts Bob Rowe

This Friday Daniels Den will be presenting "Bob Rowe" from Kalamazoo. He will be singing some of the songs he has just recorded on his new album. He will be singing and accompanying himself on guitar. He writes a lot of his own music and also does many of the traditional gospel songs in his concerts.

Loan Office Opens For WCFCU Members

David "Chip" Lorian has opened a loan production office in Houghton Lake for area Wurtzsmith Community Federal Credit Union members.

He will be handling loans and mortgages for Houghton Lake, Roscommon, South Branch, and Beaver Creek Credit Union members.

Lorian, a native of Roscommon, says he will be able to streamline the processing of loans or mortgages.

"Most closing take 30 to 60 days," he said. "I will be able to close most transactions in 3 weeks."

As Regional Loan Coordinator for the Credit Union, Lorian says he will offer personal service traditionally associated with credit unions.

Lorian doesn't plan on spending a lot of time in his new office. Instead he will be traveling to Credit Union

members to take care of their loans. He's installing a car phone to help him meet

this goal. The Houghton Lake office number is 366-7300.

Darrell and Betty Ames were guests of honor at a going-away party hosted by Bob and Susan McCurdy and Kathy Ashton at Kathy's home on Saturday evening. Friends from Roscommon and Grayling wished the couple well on their move to Sault Ste. Marie, Michigan.

Marilyn Longworth of Bayonet Point, Florida, has been hospitalized following surgery. She will be going home soon so let's all send her a get-well card or a note. Her address is 12816-B Wedgewood Way, Beacon Woods, Bayonet Point, Florida 34667.

Back from a week's hunting trip in Colorado, Clarence Papendick bagged a big 9 pt elk, son Perry shot a cow elk, Don Latusek shot a spike bull elk, and also on the hunt was Scott Shetfield.

Jim and Marie Hatfield of Gainesville, Florida spent almost three weeks in the Grayling area visiting family and friends. They visited their son and family, Jim and Nancy Hatfield, Heather and Travis, arriving in time to celebrate Travis' third birthday on October 22. They visited Walt and Connie Isenbauer and Marie's mother in St. Helen. Jim joined his brother, Roger and Roger's son, Harold, all of Gainesville, at a hunting camp near Rose City.

Fr. Micketti of St. Mary's, Grayling, has written a booklet entitled "Lumber to Limestone: The Port of Calcite" telling the history of the port of calcite at Rogers city. The book is available from him.

Paul Fredericks of Lansing was in Grayling on

Thursday of last week visiting friends, Rev. Jeff Regan and Joe Wakeley.

Guests of Jess and Betty Bennett this past weekend were Mr. and Mrs. Harry Melia of Rochester, Michigan.

Todd and Kim Thimmes, Cindy and Tara, are the new residents of the Carl Johnson, or 'Connie house on the hill.' They purchased it at the beginning of the summer and are well settled. Todd's parents, Pat and Ray Thimmes of Lancaster, Ohio, will be arriving for a two-week visit.

Judy and Terry Dickinson spent weekend before last in Chicago visiting her son, Shawn Gibbons, wife, Annie and 10½ month-old, Jonathan. Annie and son returned to Grayling with Judy and Terry to spend a week. They stopped in Lansing to visit her other son and wife, Nathan and Chris Gibbons. On Thursday Judy hosted all the Weaver girls, besides Annie and Chris who drove up from Lansing, for a 'gingerbread house' party. They all made a house under the guidance of Shelly Radzwion, who will be teaching classes in gingerbread house making at Weaver's Gifts.

Shelly and Gary Radzwion have moved here recently from Spokane, Washington. Gary is doing large appliance repair.

Mr. and Mrs. Beecher Hoxworth of Fife Lake visited Mrs. Arlene Williams a week ago Thursday.

John and Mary Jane Schofield of Beaverton visited her brother Joe Wakeley and family, weekend before last.

Joe and Terri Wakeley and daughters were in Westland the last weekend in September when Terri served as her sister's matron of honor. Her sister, Denise Bixler, was married to Steve Guttenburg in Plymouth, Michigan, on September 30, 1988. Emily Wakeley served as flower girl and Meg Wakeley and her cousin, Elizabeth Bixler, served as junior bridesmaids. The Guttenburgs are making their home in Sherman Oaks, California.

The next weekend, Joe Wakeley and family were back in Westland to attend the wedding of Terri's brother, Dennis Bixler to Sharon Tucker at Walled Lake on October 8.

Eva Warren of Memphis, Tennessee spent one day in Grayling last month visiting

her son, Jeff Ryker, and seeing other friends for a short visit. Her daughter, the former Cindy Bailey, and husband and children have moved back to Dearborn where he is now employed.

Mrs. Berta Edmonds and son, Don Edmonds of Pueblo, Colorado, and Rufus and Elvia Edmonds of Flint visited friends and relatives in the Grayling area.

Mary Kay Barclay is employed in Gaylord at Provincial House where she is in nurse's aide training.

Mrs. Mary Jane Jorgenson and her mother, Mrs. Beatrice Barnard of Livonia spent several days at Mary Jane's place in Karen Woods.

The Bible Speaks

From Calvary Baptist Church

The Gospel of John

Part 56

Death In Perspective

God and man view death from a different perspective. God often equates the death of His saints with sleep. For example read of Jacob in Genesis 47:30, and David in 2 Samuel 7:12, and several saints in Matthew 27:52, and Stephen in Acts 7:60. By sleep, God means body sleep, not soul sleep. To be absent from the body is to be present with the Lord. (2 Cor 5:8).

God refers to death as sleep because resurrection from death is as simple for God as awaking one from sleep. (John 11:11). The disciples looked upon sleep as something profitable. (John 11:12). The disciples looked at sleep as being restful. (John 11:13). So also for us as believers in Christ, death should be viewed like sleep. As harmless, natural, temporal, rest, a relief of sorrows and troubles, and a preparation for eternity.

Jesus was glad for the death of Lazarus His friend whom He loved. "And I am glad for your sakes that I was not there, to the intent ye may believe; nevertheless let us go unto him." (John 11:15). Jesus knew through the sickness, death, and restoration of Lazarus, that all his disciples would be strengthened in the faith, and made stronger. So also, sickness and death is often used of God to strengthen us in faith, and draw us closer to Him.

From a human perspective, death is a very negative thing of little or no profit. To Thomas it was a place of defeat. "Then said Thomas, which is called Didymus, un-

to his fellow disciples, Let us also go, that we may die with him." (John 11:16). We have often heard of "doubting" Thomas, but here we see a different image. Thomas believed Jesus was going to be killed in Judaea. (John 11:7, 8). Thomas was willing to die with his Lord. Thomas called his fellow disciples to courage and loyalty in dying together with their Lord. The history of Christianity has been written in the blood of the martyrs. We honor the faith of these saints.

Death is a place of decay. "Then when Jesus came, he found that he had lain in the grave four days already." (John 11:17). As Martha would later say, "...Lord, by this time he stinketh: for he hath been dead four days." (John 11:39b). The hopelessness of death.

Death is a time of discouragement. Therefore, "And many of the Jews came to Martha and Mary, to comfort them concerning their brother." (John 11:19). We share a common human need for comfort in the death of loved ones. We share empathy toward the bereaved.

What is your perspective of death? To the Christian it is the gateway to eternal bliss. To the unsaved outside of Jesus Christ, it is the horror of horrors opening to eternal hell.

Road Commission Minutes

October 14, 1988

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Present were: Chairman Gloria Kraus, Commissioners Grover Cason and Norman Parker, Engineer-Manager John Keir and Accounting Clerk Joanne Thompson and Chairman of Roads & Bridges Don Geiss.

The minutes of the previous meeting of September 30, 1988 were read. Commissioner Cason made a motion to accept the minutes as read, seconded by Commissioner Parker. All voted in favor, minutes approved.

Payroll Voucher Number 21 in the amount of \$24,527.42 and Material checks numbered 14179 through 14242 in the amount of \$30,439.43 were presented to the Board for approval of payment. Commissioner Parker made a motion to accept the vouchers, seconded by Commissioner Cason.

The following permits were reviewed and signed: Grant Norpac to conduct a seismic survey in Maple Forest Township, U.S. Seismic Inc. to conduct a seismic survey in Grayling and Lovells Townships and General Telephone to bury communication cable in Lovells Twp.

Engineer-Manager Keir informed the Board of a Vacationland Council meeting being held on October 27, 1988 in Shepard, Michigan.

Discussion was held on McManisters Bridge and the response received from the officers of Congressman Schuette, Senator Binsfeld and Representative Ostling. It appears likely that funding under the Critical Bridge Program will be available in the near future.

Engineer-Manager Keir informed the Board that the Bid Letting for underbody blades and pickup trucks shall be October 28, 1988.

Various correspondence was received and reviewed. Several requests were received and denied due to liability. FAS projects were discussed with the full Board and a final list will be reviewed before sending to the Michigan Dept. of Transportation next meeting.

The Board reviewed the Notice of Intent received for River Bend Estates being considered in Grayling Township.

A closed door session was held, after a vote by a unanimous show of hands, regarding personnel problems.

The doors opened and there being no further business before the Board, a motion was made and seconded to adjourn. All voted in favor, meeting adjourned.

THAT WORRIED LOOK

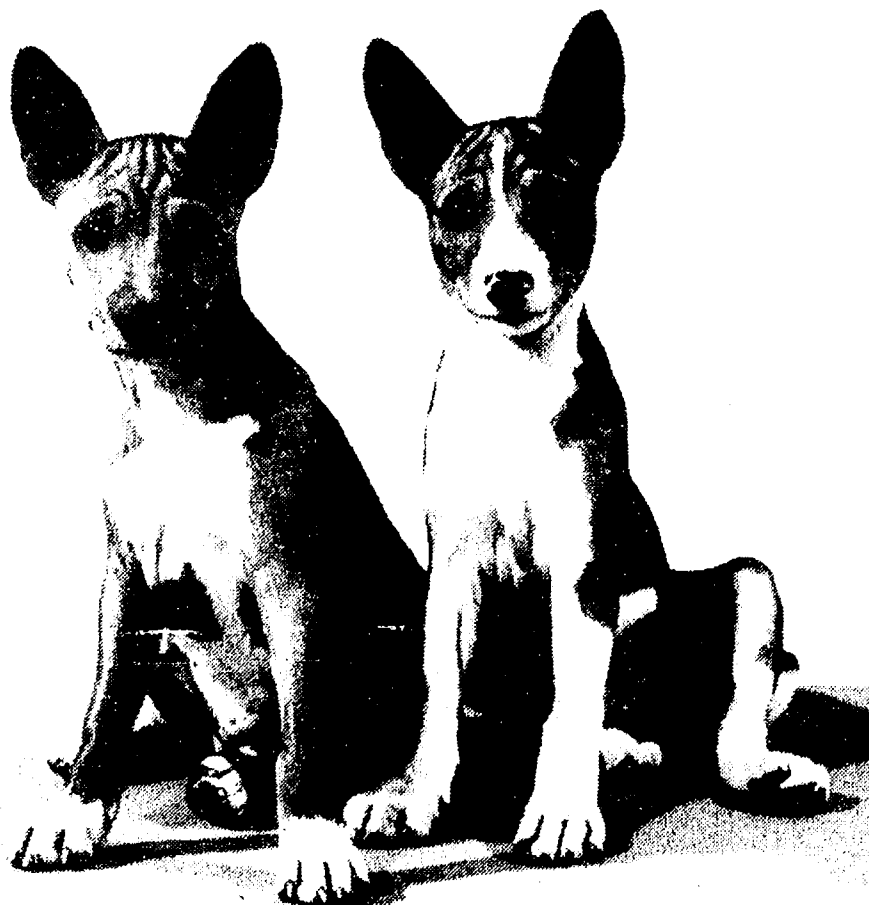

With these young pups, that worried look isn't real. You might call it a physiological illusion. The whole problem is that their heads haven't grown enough to fill out the wrinkles in their brows.

But, with people a worried look is usually real. It reflects the deep concerns that trouble our world and lives.

Yet, worry isn't going to improve the world. Its only real value is that it encour-

ages us to seek solutions where they can be found. The best thing to replace worry with is FAITH.

Through the centuries man has found hope and courage in the truths of religion. God never meant us to solve our problems alone. Perhaps our most perplexing problem today is that too many people have been trying to do just that!

Hartwick Pines Friends To Meet

If you have been reading our notices and wondered what Friends of Hartwick Pines is all about, and you are interested in the Pines, join us on Thurs., Nov. 17 at 7:30 p.m. at the Park Headquarters. For more information contact the Headquarters at 348-7068 or call Mary or Mert at 348-4731.

Scouts Collect Food Bags Saturday

This Saturday, November 19, local Boy Scouts and Cub Scouts will be going door-to-door to pick up the collection bags distributed last Saturday in the first phase of the nation wide Scouting for Food Good Turn. This 'good turn' asks that your donations of nonperishable food be placed in the collection bag and kept handy for when the Scouts pick them up. The bags may also be left on your porch if you will not be home during the pickup time, which will begin at 9:30 a.m.

If you didn't get one of the collection bags that were distributed last Saturday and need one, contact Loren Goodale III at 348-9414.

Food donations may also be taken to Goodale's Bakery.

CITY ORDINANCE NO. 80-1

AN ORDINANCE TO BE ENTITLED SCHOOL BUS REGU-
LATIONS.

THE CITY OF GRAYLING ORDAINS,

Section 1. That a Grayling City Ordinance desig-
nated as Ordinance No. 80-1 be and hereby is adopt-
ed regulating school bus operations within the City
of Grayling to read as follows:

Section 2. Regulations.

The City of Grayling hereby establishes the follow-
ing specific rules and regulations pertaining to the
operation, stopping, starting, passing, and over-
taking of a school bus transporting persons within
the corporate limits of the City of Grayling.

(a) School bus; overtaking, meeting stopped bus,
signs on bus. A school bus transporting pupils within
the corporate limits of the City of Grayling shall be
painted and shall contain signs on the back and
front of the school bus, with respect thereto, as ap-
proved by the department of state highways and
transportation and the superintendent of public in-
struction.

(b) School bus; resumption of motion; controlled
traffic at intersection. The driver of a vehicle over-
taking or meeting a school bus which has stopped
and is displaying 2 alternately flashing red lights lo-
cated at the same level shall bring the vehicle to a
full stop not less than 10 feet from the school bus and
shall not proceed until the school bus resumes mo-
tion or the visual signs are no longer actuated. The
driver of the school bus, before resuming motion,
shall deactivate flashing lights and permit stopped
traffic to proceed and shall when resuming motion
proceed in a manner which will allow congested
traffic to disperse by keeping the bus as near to the
right side of the road as can be done with safety.
Passengers crossing the road upon being dis-
charged from a school bus shall cross in front of the
stopped school bus. At an intersection where traffic
is controlled by an officer or a traffic stop-and-go
signal a vehicle need not be brought to a full stop be-
fore passing a stopped school bus, but may proceed
past the school bus at a speed not greater than is
reasonable and proper but not greater than 10 miles
an hour and with due caution for the safety of
passengers being received or discharged from the
school bus.

(c) Visibility of bus in stopped position. A school bus
driver shall not stop the bus for the purpose of re-
ceiving or discharging passengers unless the bus is
clearly visible in its stopped position to approaching
or overtaking drivers of vehicles for a distance of at
least 500 feet.

(d) Divided highway, vehicle on opposite section
from school bus. The driver of a vehicle upon a high-
way which has been divided into 2 roadways by
leaving an intervening space, or by a physical bar-
rier, or clearly indicated dividing sections so con-
structed as to impede vehicular traffic, need not
stop upon meeting a school bus which has stopped
across the dividing space, barrier or section.

(e) Flashing red lights on either end of stopped
school bus. A school bus transporting pupils inside
the corporate limits of the City of Grayling, in ad-
dition to any other equipment and distinctive marking
required by law, shall be equipped with signal
lamps mounted as high and widely spaced laterally
as practicable which shall be capable of displaying
to the front 2 alternately flashing red lights located
at the same level and to the rear 2 alternately flash-
ing red lights located at the same level. The lights
shall have sufficient intensity to be visible from a
distance of not less than 500 feet in normal sunlight
and shall be actuated by the driver of the school bus
when, but only when, the vehicle is stopped and for a
distance of at least 200 feet in advance of a stop for
the purpose of receiving or discharging school child-
ren.

(f) Front end mirror for driver's view of road from
front bumper forward. A school bus shall be equip-
ped with a mirror, convex in shape, at least 7 1/2
inches in diameter firmly mounted at hood or fender
top height in front of the bus. It shall be located on
either the left or right side of the bus in a manner so
that the seated driver may observe through its use
the road from the front bumper forward to the point
where direct observation is possible.

(g) Owner of vehicle passing stopped bus pre-
sumed driver. In a proceeding for a violation of sub-
section (b), proof that the particular vehicle de-
scribed in the citation, complaint or warrant was in
violation of subsection (b), together with proof that
the defendant named in the citation, complaint or
warrant was, at the time of the violation, the regis-
tered owner of the vehicle, shall constitute in evi-
dence a presumption that the registered owner of
the vehicle was the driver of the vehicle at the time
of the violation.

Section 3. Notice to public. The Chief of Police shall
cause notice to the general public of the existence of
the regulations herein set forth by posting the same
upon all major entrance roads to the corporate
limits of the City of Grayling, which notice shall be
sufficiently legible as to be seen by an ordinarily ob-
servant person and which notice shall be in substan-
tially the following form:

"STOP FOR SCHOOL BUS LOADING OR UNLOADING-
Local Ordinance"

Section 4. Penalties. Any person who violates any
provision of this Ordinance is responsible for a civil
infraction, EXCEPT that the driver of any vehicle
who fails to stop for a school bus or who passes a
school bus in violation of Section 2 (b) shall be guilty
of a misdemeanor punishable by a fine of not more
than \$100.00 and costs of prosecuting, or by im-
prisonment of not more than ninety (90) days, or by
both such fine and imprisonment."

Section 5. That this Ordinance shall be effective im-
mediately upon publication, the same being imme-
diately necessary for the safety and general welfare
of the citizens of the City of Grayling.

46th Circuit Court

The following appeared before the Honorable William A. Porter on Tuesday, November 7:

Stuart James MacFarlane, age 32, of Grayling, was arraigned on a charge of Criminal Sexual Conduct 1st Degree. He faces a maximum penalty of Life in prison if convicted.

MacFarlane was arrested by the Crawford County Sheriff Department on a complaint filed by the Department of Social Services.

Ellen M. Gilliland, age 48, of Frederic, was sentenced on a charge of Welfare Fraud By Failure To Inform Less Than \$500. She received 24 months probation and 30 days in the County Jail to be served beginning July 15, 1990 with credit given for 1 day served. She must also pay \$400 costs, \$550 attorney fees and \$943 restitution.

Gilliland was arrested in April, 1988 on a complaint filed by the Crawford County Department of Social Services.

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about November 23, 1988 the above named Crawford County will request the U.S. Department of Housing and Urban Development to release Federal funds under Sec. 17(a) (1) (A) of the United States Housing Act of 1937 for the following project:

Rural Rental Housing Rehabilitation Demonstration (RRRD)
Rental Housing Rehabilitation
Crawford County, Michigan
\$50,000.00

An Environmental Review Record respecting the within project has been made by the above-named Crawford County which documents the environmental review of the project. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request.

Crawford County will undertake the project described above with Rental Rehabilitation Program funds from the U.S. Department of Housing and Urban Development (HUD), under Section 17(a) (1) (A) of the United States Housing Act of 1937. Crawford County is certifying to HUD that Crawford County and Lawrence Mattis, in his official capacity as Chairperson, consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decisionmaking, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval Crawford County may use the Rental Rehabilitation funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: (a) That the certification was not in fact executed by the chief executive officer or other officer of applicant approved by HUD; or (b) that applicant's environmental review record for the project indicates omission of a required decision, finding, or step applicable to the project in the environmental review Process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to MSHDA on behalf of HUD at 401 S. Washington Square, P.O. Box 30044, Lansing, Michigan, 48909. Objections to the release of funds on bases other than those stated above will be considered by HUD. No objection received after December 9, 1988 will be considered by HUD.

**Doodles from the Tall Timber**

By Wendell L. Hoover
Hartwick Pines Interpreter

On the desk in front of me is one of the books that has become a part of our reference library. The book contains a great deal of information as well as many photos. Over the past 22 years, I have studied and looked at many such photos. The photos are all black and white, but show a terrific amount of detail. I must admit that while I know better, I sometimes get to thinking that their world was black and white and shades of gray.

There are many photos, but I cannot say that there is a favorite although there are many with striking detail. In

front of me is a small black and white photo that seems to emit the bitter cold described by the short title. I cannot guess the age of the man in the photo, but he appears to be lean in stature.

He has a beard and mustache both of which are covered with frost and small icicles. His cap appears to be of fur with the visor pulled low and the ear flaps are down. The shirt or vest under the coat is buttoned to the neck and I can see at least one other layer of clothing as well. His coat is plaid and the cuffs are somewhat frayed as they would be on a working man's coat.

In his lap, being held by his left hand, is a tin plate with steam rising from it. In his right hand a fork which has just carried a mouthful of food. The mans eyes are on his plate. The title is short, just as the heat in the food would be. "A logger eating lunch in the field at fifteen degrees below zero." If the photo hadn't been taken in Minnesota I could say it was my grandpa or maybe it was yours. Nevertheless, the poignancy is apparent. If you have old photos, study them. What they show took place and the people were real. Just remember their world wasn't black and white any more than ours.

**Recipes**

By Phyllis Brummer

Oriental Toasted Nuts

2 c. whole walnuts, pecans or almonds
3 tbsp. butter or margarine
3 tbsp. soy sauce
2 tsp. lemon juice
3/4 tsp. ginger
1/2 tsp. garlic powder

Spread nuts on jelly roll pan and bake at 325° for 5-10 minutes until lightly browned. Melt margarine, add other ingredients and pour over nuts. Stir well and bake an additional 10-15 minutes.

Frank-ly Fun

Select a head of cabbage with fresh outer leaves. Fold back some of the leaves so that a firm head shows. Hollow out the center to about teacup size. Place a can of sterno in the hollow, packing chopped cabbage around it if necessary to make it secure. Spear cocktail franks on metal poultry skewers and stick them all around the out-

side of the cabbage. Let guests toast their own franks and provide one of these dips. Served hot.

Barbecue Sauce

1 c. catsup
1/2 c. gold rum
Granted rind and juice of 1 lemon
3-8 dashes tabasco
2 tbsp. minced onion
4 tbsp. horseradish
Sweet-Sour Sauce
1 c. grape jelly
1 c. chili sauce
2 tbsp. brandy
Piquant sauce
1 c. barbecue sauce
1 c. apricot jam

Look for more than a dozen holiday recipes from Phyllis Brummer in the Avalanche 1988 Christmas Gift Guide published Tuesday, Nov. 22.

**Resource Review**

By Bruce Patrick
Conservation Officer

Watch the news media through the deer season as they give short accounts of hunting accidents which occur. If a trend I have observed the last couple of years continues, you will notice that frequently, a violation of a basic hunting law results in death or injury.

Some of the specifics that stick in my mind are: a person trying to unload a gun in a vehicle before the Conservation Officer catches him; a hunter falling out of a tree stand during rifle season and breaking a leg; a young hunter shooting himself in

the stomach as he was removing a loaded deer rifle from a car; and, within the last six weeks, a hunter who shot his companion after mistaking him for a deer, while they were admittedly out poaching.

One of the foremost reasons we have hunting laws is to protect people and property. Some of these laws prohibit certain things, such as: having a loaded gun in or upon a motor vehicle, hunting while under the influence of drugs or alcohol, discharging a firearm within a safety zone, trespass and lit-

ter. Other laws require certain actions, such as the mandated wearing of blaze orange clothing while hunting, and the presence of an adult with a young hunter.

Statistics show that almost 60% of firearm hunting casualties are caused by persons under 21 and that 40% of the victims are in that age group. Hunter safety classes have reached all young hunters in the state, but it is up to parents and other adults to reinforce the principles of safe gun handling and adherence to game laws. The life you save by doing that may be your own.

BUILDING TIPS

When Contracting to Build,
Remodel or Improve . . .

✓ Make sure the firm or individual is fully licensed to operate in the State of Michigan.

✓ Make sure the firm or individual provides proof of Workers' Compensation, Personal Liability, and property insurance. Most owner insurance policies will not cover injuries to workers on your property. You could be sued!

✓ Make sure the firm or individual is reputable. They should provide satisfactory references and promptly pay for supplies and labor.

BUDDY'S WORKSHOP**Afraid of Kerosene Heaters?**

After a recent cold snap, I noticed two or three reports of kerosene heaters blowing up or just catching the house on fire. I thought they were supposed to be safer than that.

Kerosene heaters are a safe means of producing auxiliary heat when they are used under the right circumstances. The heater itself should be kept in top operating condition at all times, and only top-quality kerosene should be used. Many times, when you hear of a kerosene heater "exploding," they find that gasoline was in the heater.

The house we moved into had a bedroom designed for a small child. However, the wallcovering doesn't seem to be washable, and I'm afraid our young son will make a shambles of it in short order. Any suggestions?

If you don't want to change the present wallcovering, you can apply one or two coats of mat polyurethane. Although there is a chance this will yellow the surface a bit, you'll still have the protection you need.

What's the difference between staining wood and bleaching it?

When you stain wood, you are, in effect, adding a color to it. When wood is bleached, the color is taken away.

Before sandpaper was invented, what did woodworkers use to smooth wood for finishing?

Pumice was widely available, both in powdered and block form. Woodworkers also learned to sand wood with their planes and checked their work with the palms of their hands. Try that sometime and see how much of a lost art that is.

Features**Poet's Corner****The Hunter's Disappointment**

As I sat in the forest green
A sleek and shiny deer
Walked past and sniffed and glanced at me
Then stood there without fear.

As I raised my gun to aim and fire
I looked into sad eyes
They seemed to say don't shoot at me
I'm not a worthy prize.

I arose from where I sat
To investigate
I stubbed my toe upon a stump
And grabbed a tree too late.

Before I knew where I was at
I dived into the snow
And not a bit of me was out
Except my little toe.

Suddenly I heard a noise
Of someone digging deep
I felt a sharp and pointed stick
Against my icy cheek.

And then the snow began to fly
Away and far from me
The deer had dug me out and now
He stood beside a tree.

I could not kill him after all
But as I turned to go
A sharp report rang through the air
The deer lay on the snow.

And with that bang came aches for me
And I turned very red
Imagine my surprise and shame
I had fallen out of bed.

Verse or Worse

By Joseph D. Murphy

The Hermit

Old Sam Malone was a man alone
A hermit if you will
He avoided the company of men
Lived alone back on the hill.

The streams and woods provided the goods
That he needed to survive
With traps, gun and fishing pole
He managed to stay alive.

He'd bring furs to trade for things factory made
Like coffee, sugar and tea
He'd just come in town and make his trades
Then back to the woods he'd flee.

He did no harm, caused no one alarm
Just went his way alone
Folks wondered where he'd come from
If he had ever had a home.

Then came a year when he didn't appear
To make his trades for the store goods
A couple of men decided to try to find
His home deep in the woods.

They had to look in each little nook
Before his shack was finally found
His body lay in his bed of hay
They soon buried him in the ground

When they looked in the pack he'd carried on his
back
It told the story of his life
There were pictures of a lovely lady
That once had been his wife.

He'd been a man of wealth, then a robbers stealth
Had robbed him of more than gold
The robber had taken the life of the women he loved
Thus his story did unfold.

He had turned his back, started down the track
Leaving home and wealth behind
Away from his haunting memories
Searching for peace of mind.

In his uncluttered life free of strife
He had worshipped the memory
Of the lovely lady of the pictures
And the love that used to be.

...about your Social Security

WHEN CHECKS ARE MAILED

If you receive a Social Security check, whether it is a retirement, disability, or survivor payment, you should know when to expect your check to arrive every month.

Your Social Security check usually will arrive in the mail on the third of the month. If the third of the month falls on a Saturday, Sunday, or legal holiday, you will generally receive your check on the last banking day before then.

For example, in December this year, the third of the month falls on a Saturday. So, you should expect to get your check on Friday, December 2.

Sometimes, for one reason or another, there are delays in delivering Social Security checks. You should allow at least three full days from the third of each month for your check to arrive. If you do not receive your check by the sixth of the month, then you should contact Social Security. If you need to make a report of non-receipt of your check, be sure to have your Social Security claim number ready when you call.

People who receive Supplemental Security Income (SSI) checks can expect to receive their checks in the mail usually on the first of the month. If the first falls on a weekend or legal holiday, the check will usually arrive on the Friday before (or the last banking day before the holiday).

If the SSI check is not received by the first, you

should allow three more days for it to arrive. If it is not there by the fourth, contact Social Security to report the nonreceipt.

If your check is deposited directly into your account at a bank, credit union, or other financial institution, you don't have to worry about when your check will be delivered. The benefit will be deposited automatically into your account every month.

Today, almost half of all Social Security beneficiaries and 15% of SSI recipients use direct deposit. This eliminates any worry about when their checks will arrive, or if they will be lost or stolen. Of course, it's also a convenience not to have to make a trip to the bank, especially during the winter months ahead!

Any time you have questions about your monthly checks, or if you want to sign up for direct deposit, call Social Security.

Long-distance callers now have a toll-free phone number for Social Security. Call 800-234-5554. This is a 24-hour service, with an operator available 7:00 a.m. until 7:00 p.m. and a message service at other times.

Local callers can contact Social Security in Traverse City at (616) 946-8360. Hours are 9:00 - 4:30, Monday through Friday, except national holidays.

A representative is at the County Building in Grayling on the first and third Tuesday of each month, 10:30 until 2:00. There is no phone service at this location.

UNITED WAY CLOSER TO GOAL — The 1988 Crawford County United Way Drive is drawing closer to its goal of \$62,000. The Fall Fashion Fund Raiser, sponsored by Ivie Girl and Kathleen's Plus Fashions, raised nearly \$700. The annual Auction, held on November 6, brought in over \$13,000. Treasurer Bob Porter, shown here with board member John Cherven and 1988 co-chairperson D.J. Brown, indicates the new total on the United Way thermometer, located on the lawn of Grayling State Bank. United Way will continue to accept donations until it reaches its goal. People can mail their contributions to: Crawford County United Way, P.O. Box 171, Grayling, MI 49738.

Women Aglow Meet Nov. 19

The Grayling Women's Aglow will be meeting Saturday, November 19 at 9:30 a.m. at the Petrie residence on 508 Peninsular.

President of the Grayling chapter of Aglow, Patricia Gezinski will be this month's speaker. Her subject will be "A Thankful Heart."

An Aglow bible study will be held at the Petrie residence every other Thursday beginning November 17 from 9:30-11:30 a.m. All area ladies are invited to attend these events.

Miss Grayling Organizers Seek Help With Pageant

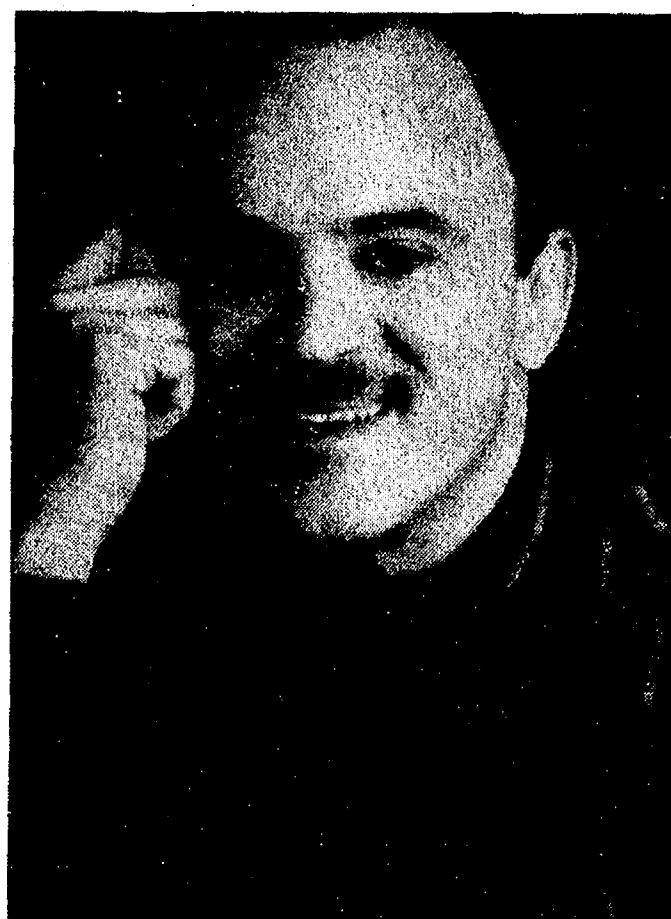

The Grayling Regional Chamber of Commerce sponsors the Miss Grayling Miss Michigan Scholarship Pageant each year, and the January 21 pageant date has been set. Last year the pageant was franchised by the Miss Michigan Pageant, and the community is lucky enough to host Miss Michigan, Krista Blomgren, during the pageant. She will serve as Mistress of Ceremonies and perform her talent which won her the Miss Michigan Title.

Pageant organizers plan to establish a Board of Directors to produce the pageant this year. This Board will be responsible for making decisions, production, fundraising, finding pageant moms and all details involved in the show. If you would like to be involved in this fine production, please call the Chamber of Commerce, 348-2921.
